OUR SPIRIT OF COMMUNITY

Founded in 1962, the Auxiliary to Community General Hospital is a volunteer organization dedicated to raising funds and providing services to the Central New York community through advocacy, education and service.

OUR COMMITMENT TO SERVICE

To date, the auxiliary has donated more than two million dollars to Community General Hospital through its annual events, hospital gift shop and vending machine sales. This support has helped fund new equipment, technology and facility upgrades.

Auxiliary members provide gifts of personal time and treasure by working throughout the year on seasonal lighting and landscaping for the hospital.

The Auxiliary offers a variety of health-related services to the community, including blood pressure screening programs, car seat and helmet information programs, and legislative support for quality health care.

As a member of the Auxiliary, you may take advantage of a number of benefits, including:
